

Kaffeine Coffee Courses

Group Latte Art and Private Espresso FAQ's

Soon after establishing Kaffeine in 2009, we found that many people were starting to take a real interest in coffee and ask, 'how do you do that?' and so we started these classes to be able to share our knowledge, skills and passion.

Apart from a long break over Covid, these classes have been running every fortnight since then, as well as running the private espresso classes on request.

Our lead baristas and senior baristas are the trainers and classes are now held at 15 Eastcastle Street store which was established in 2015.

All classes start at 6:30 pm and run for approx. 2 hours. We provide you with light snacks and a comprehensive hand out to take home with you. The trainers will open the class by explaining a bit about Kaffeine and the coffee and machinery we use here, then will ask questions of each participant to gain an understanding of their prior coffee knowledge and their goals for the class. We then do show and tell and then get the participants involved as much as possible for the rest of the class.

Latte Art Classes

These are a great entry point to coffee and a fun way to learning how to make espresso-based coffee and focus on the steaming, texturing and pouring of milk and creating hearts, rosettas and tulips or even swans.

The cost is £70.00 per person and classes have a maximum of 6 people with 1 trainer for every 3 people and is suitable for the absolute beginner to the home enthusiast. The first hour is show and tell about the machine and making coffee and the last hour is very hands on with milk texturing and pouring.

They are held every fortnight on a Thursday, please check our website for upcoming dates.

Private Classes

Personal classes are £150 for 1 person or £200 for 2 people. They focus on everything as it is just you and the trainer. We ask that you provide us with some dates you are available then we will check if our trainers are also available. This is a great opportunity to get really hands on with the professional coffee machine and spend a lot of time with our baristas asking questions and being shown all the tricks of the trade.

Please email us direct using coffee@kaffeine.co.uk with a request for a personal class and please provide some dates that you are available.

Gift Vouchers

If you wish to purchase a class for a loved one, we can provide emailable or hard copy gift vouchers with a letter of explanation about the classes. You can pre-book a particular date or you can allow the recipient to book a date of their choice in the future.

Please email us direct using coffee@kaffeine.co.uk to enquire about gift vouchers or if you have any other questions we can help with.

Bookings

The easiest way to book is via Eventbrite – search for Kaffeine and the classes will come up for you or you can book or pay for vouchers via our webshop.
